**RESOLVED**, that Article II of the Bylaws of the Folsom Area Democratic Club be amended as follows:

**1. Add a new Section 3 to Article II, to read:**

**Section 3. Supporters.**

**(a) Definition.** A "Supporter" is any individual who contributes financially to the Club but does not qualify for full Membership under Section 1 of this Article. An individual shall be classified as a Supporter if they:

- (i) Contribute an amount less than the annual membership dues established by the Board of Directors; or

(ii) Contribute an amount equal to or greater than the annual membership dues but are not registered as a Democrat with the California Secretary of State.

**(b) Rights and Privileges.** Supporters shall be entitled to all rights, privileges, and benefits of Membership, including but not limited to:

- (i) Attendance at all general meetings, social events, and Club-sponsored activities;
- (ii) Receipt of Club communications, newsletters, and announcements;
- (iii) Recognition as a Supporter of the Club; and
- (iv) Such other privileges as the Board of Directors may from time to time establish.

**(c) Limitations.** Notwithstanding subsection (b), Supporters shall NOT be entitled to:

- (i) Vote on any matter before the Club, including but not limited to endorsements, elections of officers or directors, amendments to these Bylaws, or any other business requiring a vote of the Membership;
- (ii) Be counted toward any quorum requirement;

- (iv) Be counted as a Member for purposes of delegate apportionment to the California Democratic Party or any other body that allocates representation based on Club membership.

**(e) Conversion to Membership.** A Supporter may convert to full Membership at any time by:

- (i) Paying the difference between their original contribution and the current annual membership dues, if applicable; and
- (ii) Providing proof of registration as a Democrat with the California Secretary of State.
